**EXPLANATORY STATEMENT
(Pursuant to provisions of Section 102 of the Companies Act, 2013)**

Item No: 1

As per the Letter of Approval dated June 30, 2014 issued by the CDR Cell and the Master Restructuring Agreement dated June 30, 2014 ("MRA") executed by the Company with the CDR Lenders, the CDR Lenders shall have a right to convert Funded Interest Term Loan (FITL) into Equity Shares.

Conversion of Funded Interest Term Loan (FITL), Conversion of upto 20% of Restructured Term Debt outstanding beyond 7 years from the date of CDR LOA, Conversion of WCTL- I at any time during the currency of restructured Facilities and Conversion of WCTL – II at any time during the currency of restructured facilities, into such number of equity shares was approved by the shareholders at the Annual General Meeting held on September 26, 2014 and postal ballot resolution dated January 22, 2015.

Accordingly the Company has converted FITL for the period from November 30, 2013 to September 30, 2015 for an amount of INR 585.23 cr into equity shares by allotting 23,99,48,176 Equity shares at price of INR 24.39/- per share to the lenders who had opted for CDR mechanism by signing the MRA.

Some of the lenders viz., LIC, DBS Bank, Punjab & Sindh, Union Bank etc., have not opted for CDR initially and may opt for it in near future. Opting for CDR by the aforesaid lenders belatedly is resulting in increase in FITL amount and the company is required to convert such increased interest amount into equity shares. Conversion amounts for certain lenders who have opted for CDR, have undergone certain changes at the time of actual conversion and such excess amounts also have to be converted into equity.

In view of the above, the allotment of equity shares to the lenders as stated in the resolution at item no 1, is likely to exceed the number of equity shares for which approval of the shareholders was obtained earlier vide AGM resolution dated September 26, 2014 and postal ballot resolution dated January 22, 2015. In this regard it is proposed to obtain the approval of shareholders for issue of additional shares for the excess interest amount to such lenders at the same price i.e., Rs.24.39/- per share as was applied to the other CDR lenders, the relevant date being the same i.e., June 27, 2014.

The Board recommends the Resolution at Item No. 1 for approval by the Members.

None of the Directors and the Key Managerial Personnel of the Company including their relatives is concerned or interested in the resolution at Item no 1.

Item No: 2

IVRCL Limited (the “Company”) has availed financial assistance from banks/ other institutions (the “Lenders”) for the purposes set forth in the respective financing documents entered into amongst, inter alia, the Company and the Lenders. Due to elongated recessionary period over last few years in the construction industry coupled with setbacks to monetize some of the assets of the Company or mobilize long term equity funds into the company due to uncertainties that are prevailing in the construction sector, had led to significant decline

in the volume of business, operating profits and liquidity in the Company. Consequently, the Company has not been able to service its debt obligations. The company then referred the matter to Corporate Debt Restructuring Forum (CDR) for effective restructuring of the debts of the company. Thereafter restructuring package was approved by the CDR forum and Master Restructuring Agreement (MRA) was executed amongst the company and CDR lenders. As per the MRA, CDR lenders have converted the Funded Interest Term Loan into equity shares of the Company at Rs.24.39/- per share, effective from November 30, 2013 (Cut off date for CDR) till September 30, 2015 to the extent of Rs.585.23 cr. Further CDR lenders have a right to convert entire/part of the debt into equity shares in case of default by the Company as per MRA.

The Joint Lenders Forum (JLF) at its meeting held on November 26, 2015 has invoked the provisions of Strategic Debt Restructuring (SDR) in terms of the RBI Circular no . DBR.BP.BC.No.101/21.04.132/2014-15 dated June 08, 2015. The Lenders, upon invoking the provisions of SDR, have a right to convert whole or part of their debt into equity share capital of the Company so as to collectively hold 51% or more of the equity share capital of the Company.

In terms of the RBI Circular, the price of the equity shares to be allotted to the Lenders pursuant to the invocation of SDR is required to be calculated on the basis of a 'Fair Value' which shall not exceed the lowest of the following, subject to the floor of 'Face Value' (in terms of the restriction under section 53 of the Companies Act, 2013):

- (a) Market value: Average of the closing prices of the equity shares on a recognized stock exchange during the ten trading days preceding the 'reference date' indicated below;
- (b) Break-up value: Book value per share to be calculated from the Company's latest audited balance sheet (without considering 'revaluation reserves', if any) adjusted for cash flows and financials post the earlier restructuring; the balance sheet should not be more than a year old. In case the latest balance sheet is not available this breakup value shall be INR 1.

The above Fair Value will be decided at a 'reference date' which is the date of JLF's decision to undertake SDR, which in the present case is November 26, 2015. On the basis of the above mentioned formula, the price per equity share is computed to be INR 8.765/-

In terms of SEBI Circular, bearing no. SEBINRO/OIAE/GN/2015-16/00 dated 5th May 2015, the provisions of Chapter VII of SEBI (ICDR) Regulations, 2009 are not applicable to any allotments to be made to banks and financial institutions pursuant to a Strategic Debt Restructuring Scheme, subject to the fulfillment of following conditions: a) The conversion price shall be determined in accordance with the guidelines specified by the Reserve Bank of India for strategic debt restructuring scheme, which shall not be less than the face value of the equity shares; b) The conversion price shall be certified by two independent qualified valuers, and for this purpose 'valuer' shall have the same meaning as assigned to it under clause (r) of sub-regulation (1) of regulation 2 of the Securities and Exchange Board of India (Issue of Sweat Equity) Regulations, 2002; c) Equity shares so allotted shall be locked-in for a period of one year from the date of trading approval; d) applicable provisions of the Companies Act, 2013 are complied with.

In view of the above exemption, the disclosures as required under Chapter VII of SEBI ICDR Regulations are not being disclosed in this Notice.

Further, in terms of Section 62 of the Companies Act, 2013, a company may issue shares to a person other than the persons set forth in Section 62(1)(a) and Section 62(1)(b) if it is so authorized by a special resolution. Accordingly, in order to enable the Company to issue and allot equity shares to the Lenders pursuant to the invocation of strategic debt restructuring by the Lenders and for conversion of their outstanding due amounts (or part thereof) into equity share capital of the Company, Item no. 2 is required to be approved by members of the Company by way of a special resolution.

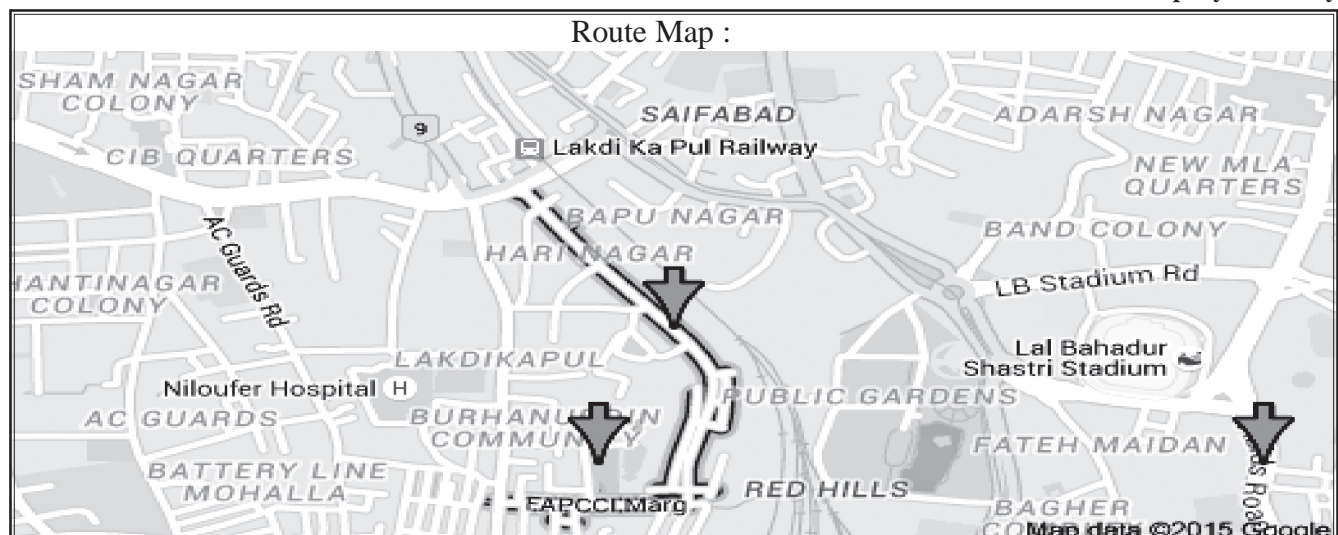

The Board recommends the Resolution at Item No. 2 for approval by the Members.
